

How to force restart HTC Warhawk

If your phone will not turn on or respond, chances are you just need to reset it by removing the battery for a minute or so.

Written By: Charlene

Step 1 — How to force restart HTC Warhawk

- Remove battery from phone by pressing in button on back, and sliding downwards. Phone should now look like picture.

Step 2

- Wait 1-2 minutes, and then reinsert the battery and cover.

Step 3

- Turn phone back on.

To reassemble your device, follow these instructions in reverse order.
